12:30 a.m. Enjoy the Food and Drink Along the Historic Whiskey Row

When it's time for a little saloon stop, there's no better place than good ol' Whiskey Row. Once hosting more than 40 different saloons, the 100 block of South Montezuma Street has long been the home of busy bartenders and the patrons enjoying their wares. How tough is Whiskey Row? A fire totally destroyed the structures in 1901 but not the tenacity of the locals, who quickly started to rebuild just a few days later. Today, you'll find it to be a great place to belly up as they once did.
